**Re: David Alexander**

To Whom It May Concern:

Please accept this letter of reference as it pertains to Mr. David Alexander. As a producer/production manager I have had the pleasure of working with Dave on various feature films over the past 20 years.

David is one of the finest special effects riggers in the business. He has parlayed his rigging skills into stunt coordinating on movies as diverse as Danny Glover's action packed "Missing in America" to Christopher Guest's hilarious "Best in Show". David is also a wilderness safety expert whose professionalism and integrity is unmatched in the Vancouver film production community.

Dave is honest, hardworking and dependable to a fault. I have had Dave do everything from providing helicopter safety to setting up rigging for cast members such as Liam Neeson and Halle Berry to name a few. His safety and rigging skills have been honed in the mountains, rivers and forests of British Columbia. He has successfully taken those skills and adapted them to the sets of movies from "X Men" to "A Team".

Dave Alexander has a flawless safety record. The following is a list of movies that I have hired Dave on to provide stunt rigging, stunt coordinating or safety:

ALASKA	Castlerock/WB
BEST IN SHOW	Castlerock/WB
SNOWDOGS	Walt Disney Pictures
CATWOMAN	Warner Brothers
X MEN 2	20 <sup>th</sup> Century Fox
X MEN 3	20th Century Fox

FANTASTIC FOUR:	20 <sup>th</sup> Century Fox

Please do not hesitate to contact me should you need more information regarding Mr. Alexander.
